# HELPING YOU ACHIEVE SUCCESS... GET ON BOARD THE PASS MACHINE.

This comprehensive 5-day review course is specifically designed to help you prepare for your General Surgery Qualifying Exam. It provides all the materials you need and addresses all aspects of the exam. Once you've taken the course, you can feel confident that you're ready to take your boards — and we guarantee the results with the Triple Trust Guarantee!

## COURSE OBJECTIVES

To demonstrate increased knowledge of principles & practice in General Surgery, including:

- Epidemiology, anatomy, physiology, pathology, and clinical presentations of disease.
- Diagnostic evaluation, including appropriate use of radiologic imaging.
- Indications for surgical and non-surgical treatment.
- Surgical management, including wound healing, immunology, infection, antibiotic usage, fluid management, shock and resuscitation, metabolism, and use of enteral and parenteral nutrition.
- Preoperative, operative and postoperative care, including management of comorbidities and complications.
- Minimally invasive surgical procedures for the diagnosis and treatment of diseases, including basic and advanced laparoscopic and endoscopic procedures.

## COURSE COMPONENTS

- **Board-Certified Faculty:** All of our course lecturers are board certified in the subspecialty that they teach — so you're trained by people with first-hand knowledge of the subject matter and the exam.
- **Focused Topics:** The course focuses specifically and exclusively on the topics presented on the General Surgery Qualifying Exam.
- **Proportional Time:** The amount of course time devoted to each topic is in direct proportion to the number of board exam questions in that area.
- **Exam-Style Questions:** Practice questions are presented and analyzed live at the course, to engage participants and improve retention of the material.
- **Online Practice Exams:** Receive password-restricted access to hundreds of online General Surgery board-style questions, which you'll answer in the same format as the actual board exam.
- **Streaming Video Lectures:** Receive access to the professional recordings of this year's lectures on a streaming video website.
- **CME Included:** Earn up to 40 AMA/PRA Category 1 CME hours. Ask if your group/employer will cover the cost of this CME activity.

## HOME STUDY OPTION

We understand how busy your life is. That's why we also offer a Home Study version of our General Surgery Qualifying Exam Prep Course. So, if you don't have time to attend the live course, you can still receive the help you need to pass your exam. This Home Study Course makes it so much easier to prepare on your own by providing:

- 1. Streaming Video Lectures:** You'll be given access to professional video recordings of this year's lectures on a streaming video website, which allows you to view the speakers and their slides simultaneously.
- 2. Written Materials:** You'll receive a binder that includes all of the written materials from the course.
- 3. Online Questions:** You also have access to hundreds of board-style questions, which you'll answer in the same format as the actual board exam.
- 4. CME Included:** Earn up to 40 AMA/PRA Category 1 CME hours. Ask if your group/employer will cover the cost of this CME activity.
