

"You hit it right on the button. In fact, how can you avoid being accused of 'cheating' since your style of questions, and questions themselves are so close to the exam? I know I cannot discuss the questions on the exam, but if someone were to ask me what it was about, I would say, take 'The Pass Machine.'"
- GEORGE H. PFALTZGRAFF, MD, HAMPTON, IA

"It was a very comprehensive course. It covers a wide variety of topics."
- HASMUCKH V. PATEL, MD, WILLOWBROOK, IL

"Case based learning was superb — probably the best lecture format/educational experience I've had. Many 'pearls' were presented, which will make me a better physician."
- ROBERT LANEY III, MD, SHELBY, NC

"You are a life-saver! Considering a busy schedule in practice, this concentrated course is a blessing."
- KISHORE S. TONSEKAR, MD, LYNWOOD, CA

"A great forum to prepare for recertification."
- HENRY WODNICKI, MD, MIAMI BEACH, FL

"I wanted to let you know that I passed the ABS recertification exam. The Pass Machine course was definitely helpful. I truly appreciate the course, its organization, and its presenters. I have spoken highly of the course and will continue to do so."
- MICHAEL SCHNEIDER, MD, MARSHALL, MN

"Your course definitely had an impact on my preparation and it was a very worthwhile experience."
- CARLOS DIAZ, MD, PONCE, PUERTO RICO

"Your course and only 1 week of studying were all I had time for, but clearly it was enough. I will not hesitate to recommend your review course to colleagues."
- SCOTT LAUZE, MD, SAN FRANCISCO, CA

"Excellent course which provided me the focus needed to prepare for the boards in a very effective manner."
- MARCIA SMOLIN, MD, WALDOBORO, ME

"It allowed me to focus my study and have concentrated material which is especially important when trying to balance study, practice and family."
- JOHN TIMKEN, MD, SHILLINGTON, PA

"I would have had a difficult time taking out the time for review without the organization of the course."
- TERRY VAUGHN, MD, PRESCOTT, AZ

"This course was a thorough, focused review for the recertification exam."
- GLENN BRADHAM, MD, NASHVILLE, TN

"This course is very informative. You will feel confident in passing the exam after taking this course. A good investment indeed!"
- AMADON DIZON, MD, FARGO, ND

"This course helps you focus on what is important for the exam."
- ELIZABETH MIXSON, MD, ATLANTA, GA

"I am quite happy that I decided and attended this review course. I think this course is organized in a better way than many CME courses I have attended."
-TIMOTHY VO, MD, FARGO, ND

"This is a great course, well worth the money. It makes preparing for the Recertification Examination a manageable task."
- RANDY READLING, MD, MOCKSVILLE, NC

"This is a great review. The instructors do a great job at narrowing the scope of topic discussions to what should appear on the exam. Thank you for providing this course!"
- ALISA MARTIN, MD, JACKSONVILLE, FL

"This course has a high reassurance value. It not only settles the anxiety about the exam, but also provides refresher material. There was actually a lot of opportunity to update one's knowledge."
- SUNDAY ILECHUKWU, MD, NORTHVILLE, MI

HELPING YOU MAINTAIN YOUR SUCCESS. GET ON BOARD THE PASS MACHINE.

This comprehensive 4-day review course makes it easier to prepare for your General Surgery Recertification Exam by providing all the materials you need and addressing all aspects of the exam. Once you've taken the course, you can feel confident that you're ready to take your boards — and we guarantee the results with the Triple Trust Guarantee!

COURSE OBJECTIVES

To demonstrate increased knowledge of principles & practice in General Surgery, including:

- Epidemiology, anatomy, physiology, pathology, and clinical presentations of disease.
- Diagnostic evaluation, including appropriate use of radiologic imaging.
- Indications for surgical and non-surgical treatment.
- Surgical management, including wound healing, immunology, infection, antibiotic usage, fluid management, shock and resuscitation, metabolism, and use of enteral and parenteral nutrition.
- Preoperative, operative and postoperative care, including management of comorbidities and complications.
- Minimally invasive surgical procedures for the diagnosis and treatment of diseases, including basic and advanced laparoscopic and endoscopic procedures.

COURSE COMPONENTS

- **Board-Certified Faculty:** All of our course lecturers are board certified surgeons, so you're trained by people with first-hand knowledge of the subject matter and the exam.
- **Focused Topics:** The course focuses specifically and exclusively on the topics presented on the General Surgery Recertification Exam.
- **Proportional Time:** The amount of course time devoted to each topic is in direct proportion to the number of board exam questions in that area.
- **Exam-Style Questions:** Practice questions are presented and analyzed live at the course.
- **Online Practice Exams:** Receive password-restricted access to hundreds of online General Surgery board-style questions, which you'll answer in the same format as the actual board exam.
- **Streaming Video Lectures:** Receive access to the professional recordings of this year's lectures on a streaming video website.
- **CME Included:** Earn up to 32.5 AMA/PRA Category 1 CME hours. Ask if your group/employer will cover the cost of this CME activity.

HOME STUDY OPTION

We understand how busy your life is. That's why we also offer a Home Study version of our General Surgery Recertification Exam Prep Course. So, if you don't have time to attend the live course, you can still receive the help you need to pass your exam. This Home Study Course makes it so much easier to prepare on your own by providing:

- 1. Streaming Video Lectures:** You'll be given access to professional video recordings of this year's lectures on a streaming video website, which allows you to view the speakers and their slides simultaneously.
- 2. Written Materials:** You'll receive a binder that includes all of the written materials from the course.
- 3. Online Questions:** You also have access to hundreds of board-style questions, which you'll answer in the same format as the actual board exam.
- 4. CME Included:** Earn up to 32.5 AMA/PRA Category 1 CME hours. Ask if your group/employer will cover the cost of this CME activity.
