

HOME STUDY OPTIONS

We understand how busy your life is. That's why we also offer a Home Study version of our Internal Medicine Certification Exam Prep Course. So, if you don't have time to attend the live course, you can still receive all the same great course features. This Home Study Course makes it so much easier to prepare on your own by providing you a complete course preparation package, giving you the ability to study on your own time and at your own pace.

- 1. Streaming Video Lectures:** You'll be given access to professional video recordings of this year's lectures on a streaming video website, which allows you to view the speakers and their slides simultaneously. You also have access to these lectures as streaming presentations on your iPhone, iPod Touch, or iPad*, so you can convert any spare moment into exam prep.
- 2. Written Materials:** You'll receive two thick binders that include all of the written materials from the course.
- 3. Online Questions:** You also have access to hundreds of board-style questions, which you'll answer in the same format as on the actual board exam.
- 4. CME Included:** Earn up to 44 AMA/PRA Category 1 CME hours.
- 5. Triple Trust Guarantee:** You receive the same outrageous guarantee as live course attendees.

CME ACCREDITATION

CME Approved 44 Hours Category 1 Credit.

Ask your employer/group if they will reimburse you for this CME educational event.

Accreditation Statement: This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Clearview CME Institute and The American Physician Institute for Advanced Professional Studies. The Clearview CME Institute is accredited by the ACCME to sponsor continuing medical education for physicians.

Credit Designation: The Clearview CME Institute designates this educational activity for a maximum of 44 AMA/PRA Category 1 credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. This CME activity was planned and produced in accordance with the ACCME Essentials.

THIS COURSE IS A VIRTUAL PASS MACHINE! HERE'S WHY:

LASER FOCUS: Nationally recognized faculty lead you through 5 intensive days of lectures that focus specifically and exclusively on helping you pass the Internal Medicine Certification Exam and on nothing else - hence the course name - "The Pass Machine!"

EXAM-STYLE QUESTIONS: Practice questions are embedded into each lecture and analyzed live at the course to get and keep you in exam-mode.

HUNDREDS OF ONLINE QUESTIONS: Included with your course package is access to hundreds of online multiple choice IM Certification board-style questions. Not only do these practice exams help you identify areas for further review, but you also gain competency in taking exams in the computer-administered format.

CME INCLUDED: Earn up to 44 AMA / PRA Category 1 CME hours by attending. Ask if your residency director/employer will cover the costs of this CME activity.

THREE WAYS TO VIEW LECTURES: We provide you with unparalleled flexibility in viewing the lectures, so that you can make every spare minute count.

- LIVE ATTENDANCE:** When you attend the live course, you achieve total immersion - you focus on your studies and leave your day-to-day distractions behind. Live attendance also gives you the option of joining evening study groups (which we help facilitate) as an additional study method. The camaraderie of studying with colleagues for the exam is often that extra "special ingredient" to help get you over the top.
- ONLINE ACCESS:** All course lectures are videotaped. When you return home you can view all of them as streaming video on the web as often as you like.
- MOBILE ACCESS:** Convert any spare moment into exam prep. View all the lectures on your iPhone®, iPod Touch® and iPad®*. (Brand new & unique feature!)

TRIPLE TRUST GUARANTEE: Remember that when you attend the Internal Medicine Certification Exam Prep Course, you'll pass your exam on your first attempt OR you will receive a 100% tuition refund PLUS an additional \$500 PLUS you can repeat the course until you pass!

COURSE FACULTY

Bimal Ashar, MD, MBA, FACP - Course Medical Editor

Associate Professor of Medicine, Johns Hopkins
Director, Advanced Medicine Clerkship, Johns Hopkins
Medical Director, Executive & Preventive Health Program, Johns Hopkins

Dr. Ashar has been the director of the Johns Hopkins Internal Medicine Board Review Course for the past 10 years. He is an editor of the bestselling *Johns Hopkins Internal Medicine Board Review Book* and an advisor and mentor for the Johns Hopkins School of Medicine Colleges Advisory Program. In addition, he has authored numerous publications on topics in clinical medicine and medical education.

Hrayr P. Attarian, MD

Associate Professor of Neurology and Medicine, Loyola University Medical Center and Stritch School of Medicine
Co-Director, Loyola Center for Sleep Disorders

Dr. Attarian is a recognized expert in sleep disorders. He has authored over 40 peer-reviewed papers in the area of sleep disturbances and has written three neurology related books and several book chapters. He is a knowledgeable lecturer who has been invited to present over 50 lectures, whose presentations have been described as straightforward and practical.

Jean-Luc Benoit, MD

Associate Professor of Medicine, University of Chicago
Director, Travel Clinic, University of Chicago
Co-founder and Director, Infectious Disease Fellowship Program, University of Chicago

Dr. Benoit is an expert in travel medicine and infectious diseases. He teaches extensively about HIV, infectious disease, parasitology, and tropical medicine at the University of Chicago. He also oversees the infection management of patients from all areas of the hospital.

Morey A. Blinder, MD

Associate Professor of Medicine and Pathology & Immunology, Washington University School of Medicine
Medical Director, Wohl Hematology Laboratory
Medical Staff, Barnes-Jewish Hospital

Dr. Blinder has over 15 years experience in lecturing at board review courses at Washington University in St. Louis. He also has extensive experience teaching fellows and residents, as well as lecturing for numerous regional and national meetings and Grand Rounds. He serves on the Missouri Genetic Disease Advisory Committee.

COURSE AGENDA

Day 1

Dermatology	Dr. Maria Tsoukas	1.5 Hours
Test Taking Strategies	Dr. John Kapoor	0.5 Hours
Cardiovascular Disease Part I	Dr. James Kapoor	3 Hours
Cardiovascular Disease Part II	Dr. John Calvin	2.5 Hours
Cardiovascular Disease Part III	Dr. Sandeep Nathan	2 Hours

Day 2

Psychiatry	Dr. Jack Krasuski	2.5 Hours
Obstetrics/Gynecology	Dr. Sabrina Holmquist	1.5 Hours
Oncology	Dr. Tanguy Seiwert	3 Hours
Pulmonary Disease Part I	Dr. Vincent Liu	2 Hours

Day 3

Pulmonary Disease Part II	Dr. Vincent Liu	2 Hours
Otorhinolaryngology	Dr. Louis Portugal	1 Hour
Rheumatology Part 1	Dr. Timothy Niewold	1.5 Hours
Rheumatology Part II	Dr. Timothy Niewold	1.5 Hours
Allergy/Immunology	Dr. Anju Peters	1 Hour
Gastroenterology I	Dr. Frank Friedenberg	1.5 Hours

Day 4

Gastroenterology II	Dr. Frank Friedenberg	1.5 Hours
Endocrinology	Dr. Brian Layden	3 Hours
Infection Disease Part I	Dr. David Pitrak	2 Hours
Infections Disease Part II	Dr. Jean-Luc Benoit	2 Hours

Day 5

Nephrology	Dr. John Lieske	2.5 Hours
Ophthalmology	Dr. Grant Comer	1 Hour
Hematology I	Dr. Morey Blinder	1 Hour
Hematology II	Dr. Morey Blinder	1.5 Hours
Neurology	Dr. Hrayr Attarian	2 Hours

James Calvin, MD, FRCP(C), FACC, FACP

James B. Herrick Professor of Medicine, Rush University Medical Center
Director, Section of Cardiovascular Disease, Rush University Medical Center
Medical Director, Rush Heart Institute, Rush University Medical Center

Dr. Calvin has taught board review courses for Rush University Medical Center, as well as the American College of Physicians and the American College of Chest Physicians. He has been listed in *Who's Who in America* annually since 2001, and has been cited in Best Doctors in Chicago since 1999.

Grant Comer, MD, MS

Assistant Professor Ophthalmology and Visual Sciences, W.K. Kellogg Eye Center, Ann Arbor, MI
Director, Ocular Oncology Service, W.K. Kellogg Eye Center

Dr. Comer has received the Resident Teaching Award at University of Michigan Kellogg Eye Center. He has given numerous lectures to medical students, residents, fellows, and at scientific meetings. He has published several articles as well as two book chapters on the topic of ophthalmology.

Frank Friedenberg, MD, MSEpi

Professor of Medicine, Temple University School of Medicine, Philadelphia, PA
Director of GI Pathophysiology Course, Temple University School of Medicine

Dr. Friedenberg is an experienced director of a board review course for GI fellows at Temple University School of Medicine. He has been named Gastroenterology Fellowship Teacher of the Year. He has also been recognized by Best Doctors in America® and *Who's Who in America*.

John Kapoor, MD, PhD, FACP - Course Medical Editor

Assistant Professor of Medicine, University of Chicago Pritzker School of Medicine
Attending Physician, Cardiology, NorthShore Medical Group

Dr. Kapoor has completed a cardiology fellowship at Stanford University and has pursued further subspecialty training in cardiovascular imaging. He has extensive research experience, having published 70 articles in peer-reviewed journals and has lectured many times to residents, fellows, and board candidates at Yale and Stanford Universities, and at the University of Chicago.

Jack Krasuski, MD

Adjunct Assistant Professor of Psychiatry, University of Illinois
Executive Director, American Physician Institute for Advanced Professional Studies

Dr. Krasuski spent three years as a Senior Staff Fellow at the National Institute on Aging, NIH, where he did research in the neuroimaging of dementing disorders. Currently, he spends most of his time lecturing to thousands of physicians yearly on psychiatric topics. He is known for his ability to clearly explain complex and little-understood topics.

Brian Layden, MD, PhD - Course Medical Editor

Fellow in Endocrinology, Feinberg School of Medicine, Northwestern University

Dr. Layden has lectured extensively on the topic of endocrinology and participated in numerous board review courses. He has written nearly 20 peer-reviewed articles. His current research focuses on the study of novel pathways involved in regulating pancreatic beta cell function.

John C. Lieske, MD

Professor of Medicine, Mayo Clinic, Rochester, MN
Medical Director Renal Function Laboratory, Mayo Clinic

Dr. Lieske gives frequent CME lectures on kidney function and kidney stone disease. He has authored more than 60 articles and several book chapters in the field of Nephrology. He is a fellow in the American College of Physicians and the American Society of Nephrology.

Vincent Liu, MD

Clinical Instructor in Medicine, Stanford University
Associate, Primary Care and Outcomes Research, Stanford University
Intensivist, Kaiser Permanente Santa Clara, Santa Clara, CA, and Washington Hospital, Fremont, CA

Dr. Liu was named Chief Fellow of Pulmonary and Critical Care Medicine at Stanford University Medical Center. As a Chief Resident at Memorial Sloan-Kettering Cancer Center, he oversaw residency education, and is an attending physician for the Pulmonary Critical Care Medicine Journal Club at Stanford University School of Medicine.

Sandeep Nathan, MD, MSC, FACC, FSCAI

Assistant Professor of Medicine, University of Chicago Pritzker School of Medicine
Interventional Cardiology Staff, University of Chicago Medical Center
Director, Interventional Cardiology Fellowship Program, University of Chicago Medical Center

Dr. Nathan serves as an ad-hoc reviewer for the *American Journal of Cardiology* and *American Heart Journal*. He has over 40 published/presented abstracts, many peer-reviewed publications, and has also co-authored medical textbook chapters. He currently serves as a principal investigator or co-investigator on several clinical trials.

Craig Nielsen, MD, FACP - Course Medical Editor

Director, Internal Medicine Residency Program, Cleveland Clinic, Cleveland, OH
Vice Chairman of Education, Medicine Institute, Cleveland Clinic
Vice Chairman, Department of Internal Medicine, Cleveland Clinic
Assistant Professor of Medicine, Case Western Reserve School of Medicine, Cleveland, OH

Dr. Nielsen was honored with the Physician of the Year Award and the Teamwork Award from Cleveland Clinic Department of General Internal Medicine. He has also received the Teacher of the Year Award from the Cleveland Clinic Internal Medicine Residency Program and has been recognized in "Top Docs" by *Cleveland Magazine*.

Timothy Niewold, MD

Assistant Professor of Medicine, University of Chicago Pritzker School of Medicine
Attending Physician, Rheumatology, University of Chicago Pritzker School of Medicine

Dr. Niewold is an academic physician-scientist who is involved with the teaching and lecturing curriculum at the University of Chicago Pritzker School of Medicine, including a lecture series for preparation of the rheumatology board exam. He was recently a Distinguished Lecturer for an NCME Grand Rounds series on Rheumatoid Arthritis, and gave 15 Grand Rounds lectures to Internal Medicine programs around the country.

Anju Peters, MD

Associate Professor of Medicine, Feinberg School of Medicine, Northwestern University
Attending Physician, Northwestern Memorial Hospital

Dr. Peters regularly lectures to fellows and residents in preparation for board exams. She has received multiple Teaching Awards at Northwestern University Feinberg School of Medicine. She is an invited researcher for American Academy of Allergy, Asthma, and Immunology, and has authored many articles and book chapters on the topics of drug allergies and allergic diseases.

David Pitrak, MD

Professor of Medicine, University of Chicago Pritzker School of Medicine
Chief, Section of Infectious Diseases, University of Chicago Pritzker School of Medicine

Dr. Pitrak gives board review lectures on infectious diseases to residents of the University of Chicago Pritzker School of Medicine, as well as for the Respiratory and Critical Care Board exam sponsored by the American College of Chest Physicians. He was also named the Department of Medicine Outstanding Educator by the Internal Medicine Residency Program at University of Chicago. He has been recognized by *Best Doctors in America*®

Louis Portugal, MD, FACS

Associate Professor of Surgery, University of Chicago Medical Center
Attending Physician, University of Chicago

Dr. Portugal is a highly sought-after educator in the field of otolaryngology, having participated in more than 100 invited lectures. He also chairs two committees and is a member of three others at the University of Chicago Medical Center.

Tanguy Y. Seiwert, MD

Assistant Professor of Medicine, Hematology of Oncology, University of Chicago, Chicago, IL
Attending Physician, Head and Neck Cancer Program, University of Chicago

Dr. Seiwert has authored several published articles and book chapters. He has also given numerous lectures locally, nationally, and internationally, and has been honored with many awards for his work pertaining to head and neck cancer.

Maria Tsoukas, MD, PhD

Assistant Professor of Medicine, University of Chicago Medical Center
Attending Physician, Dermatology, University of Chicago

Dr. Maria Tsoukas specializes in general dermatology, skin cancer therapy, cosmetic dermatologic surgery and cutaneous laser surgery. She directs several research studies investigating the expansion of skin photodynamic therapy in the treatment of precancerous lesions and inflammatory acne. She is an experienced lecturer and a member of several *Patient's Guide* websites providing physician-reviewed information.
